

ALASKA MISSION FOR CHRIST

Prayer for Worship

Heavenly Father,

As our world struggles in the darkness of sin, we implore you to move mightily through the ministry of Alaska Mission for Christ to bring the light of salvation through Jesus to those in need.

Equip and guide the staff, board, and volunteers; so that they might be prepared for every good work you have laid before them.

Soften the hearts of those throughout Alaska who have not yet come to faith that Your Holy Spirit might move them to repentance, forgiveness, and eternal life.

Encourage and strengthen those who struggle with addiction, grief, abuse, and other issues that plague the northern state.

Lord, shine Your light brightly! Move greatly! We trust You and give thanks for Your great mercy through Your Son, Jesus Christ, AMEN!
